What is the Akasha or Ether?

Did you know? Thoughts and emotions can move through Akasha or the ether. The void is part of the Akasha or ether. Also, prana moves through the Akasha, or the ether, to our bodies. The Akasha (astral light) records and uploads to the Akashic records. The Source beyond the Akasha is Spirit, THE I AM THAT I AM, and in Unity called God, ALL THAT IS.

The subconscious mind exists in the ether or Akasha. Karma flows through it. Dharma flows through it. Reiki flows through it. Intuition and messages flow through it. Gratitude flows through the ether. We are mirrors of each other because of the ether. It is an active invisible ocean of light that permeates everything. You can connect to the Akasha in meditation.

The Akasha or ether has also both absorption (sponge and archiving) qualities for upload to Spirit, and reflective qualities to return actions (instant karma or Dharma and manifestations i.e. law of attraction) to the person.

Oneness becomes a reality, when you can sense the Akasha or ether that connects everything.

The heart and the third eye can perceive it, the mind cannot perceive it.

The etheric body is formed of the ether, it is a densified ether so that it forms a body. Within the etheric body there are nadis, meridians, axiatonal lines, chakras, and kundalini that are formed of prana that flow through the etheric body. The etheric body is used in astral projection in the real time world. Our physical body with its nervous system is a densified replica of the etheric body. Ether and prana respond well to sound and light, which is why Solfeggio frequencies work well for your chakras, and why Reiki can open your third eye.

Within the Akasha/ether contains all potentialities and manifestations, the ether holds the records of timelines from simultaneous lives (present, past and future lives in linear thinking), which is why it is linked to the Akashic records. This is why Kryon mentions looking at/manifesting your Akash in his channelings. The Akasha/ether is connected to the Void (center of creation) and also Nirvana. Our Soul/Higher Self exists very close to the ether, and then beyond the Soul/Higher Self, is our Group Spirit (Oversoul), then the Avatar field, then God, Source, All That Is.

Within is a good way to think of Spirit. Everything exists within Spirit, and Spirit is within all layers.
